JUDGMENT

Even though petitioner's grievance is against award of third prize to her for want of light in the stage, it is conceded that other participants were not given better facilities. Government Pleader reported that petitioner secured 14 marks less than the first prize winner in Mono Act competition. Even though petitioner has secured prize at the District level earlier, I do not find any ground to interfere with the award of first prize to another student. In the circumstances, W.P. is devoid of any merit and is dismissed.
